

**Avital Eshet** is Head of Economic Policy at the Policy and Strategy Division of the Ministry of Environmental Protection.

Her work at the Ministry consists of environmental-economics analysis on various environmental subjects and leading the Ministry's Enviro-Tech innovation program.

Ms. Eshet also serves as a Director on the Board of the Environmental Services Company Ltd. - a state-owned company, operating the largest hazardous material treatment plant in Israel.

Prior to joining the Government, she has gained considerable experience in international financing schemes, in particular project finance for real estate and renewable energy in Europe.

Ms. Eshet is a trained lawyer with a B.A. in Economics & Law and a Master's degree in Environmental Studies.
