

Guy Meiri
Head of Business Development

Guy is a seasoned business development professional with 20 years of experience in strategy, business development, sales and management. Guy worked for leading companies, including IBM, Deloitte, PwC and Maccabi Healthcare Services, and joined IOSight in 2019 to lead business development and sales in the Americas and Europe. In his last position at Deloitte Guy managed global strategic accounts, led business development of the robotics & cognitive automation practice, and supported advanced analytics projects in various sectors. As Director of Business Development at Maccabi Healthcare, Guy focused mainly on development of big-data and IT related business initiatives. Guy previously managed the strategy consulting practice at IBM Israel and co-founded a cleantech Start-Up which focused on clean-up of natural resources.

Guy holds an MBA from Tel-Aviv University and an LL.B. from the Hebrew University.
