

Oded Fruchtman

Oded Fruchtman serves as CEO of Aquarius Spectrum for 4 years. The company specializes in innovative solutions for monitoring urban water pipes and detecting hidden leaks from the earliest stage, helping prevent pipe bursts, reduce water loss and assess the condition of the buried water main infrastructure.

Prior to joining Aquarius Oded was the Co-CEO of BreedIT and before that he founded and managed SoftWatch, a leading SaaS company in the software usage analysis arena. He also served as the CTO of BOS and the Israeli Branch Manager of Macrovision, an American based company.

Mr. Fruchtman has vast experience in managing technology companies and promoting them around the world.

Mr. Fruchtman holds a BA in Computer Science and an MBA from the Hebrew University.
